Form Preview

Word count:
Must be no more than 250 words.

B3.iii. Graduate researcher involvement: Any opportunities for graduate researchers(s) engagement and anticipated benefits to the project and the researcher(s) themselves as applicable. *

Word count:
Must be no more than 250 words.

B4. Collaboration

B4.i. Capacity for future collaboration: A description of the potential future collaborations and outcomes that will be possible as a result of having undertaken the current collaboration. For example: joint publications, joint supervision of PhD candidates, joint teaching, joint patent applications, joint reports to governments, joint funding applications *

Word count:
Must be no more than 250 words.

B5. Equality, Diversity and Inclusion

Adherence to respective equality, diversity and inclusion (EDI) policies are a core feature of this program, to ensure that all participants can do their best work, thrive and succeed. This application must demonstrate a commitment to EDI by highlighting meaningful steps taken by the lead applicants to implement equitable practices for team recruitment and to foster an environment that values, supports and respects a diverse range of views, knowledge and experiences. Applicants should consider EDI as it applies to gender diversity, race/ethnicity, Indigeneity, disability, sexual orientation, career stages and sectors. The meaningful integration of all members in the proposed project team is required, with concrete measures put in place to support their integration and development, where appropriate.

B5.i. Please discuss how your proposed project reflects the EDI priorities as outlined in the above statement (this section should not include any demographic information about the team that could be used identify team members) *

Word count:
Must be no more than 100 words.

Part C: Proposed Budget

2020 Melbourne-Toronto Joint Research Proposal Form Preview

Please do not alter the 'Budget Category' column.

- Leave line blank if you are not requesting items in a particular category.
- List individual budget items for each category in the central column, with their individual costs.
- Enter the overall cost for that category in the third column.

The funding provided is intended to support expenses, including but not limited to costs related to exchange (students, post-doctoral fellows, research associates and/or PIs) between the institutions. Funding does not cover salaries, equipment, scholarships, conference attendance or tuition fees.

Submission Instructions

University of Melbourne Applicants

Once the SmartyGrants form is submitted, the submitting Coordinating Investigator will be sent a PDF of the final application form. The UoM Coordinating Investigator will need to submit this PDF through the Themis Grant Submissions Workbench in order to obtain approval from their Head of Department. Applications without the required approval will not be considered.

Privacy Notice

The information in this form is being collected by Research, Innovation and Commercialisation on behalf of Chancellery (Research), the University of Melbourne. The information you provide is being collected in order to record administrative details of the applicant, and for assessment by selection committees from The University of Melbourne and The University of Toronto. The information will be used by authorised staff for the purpose for which it was collected, and will be protected against unauthorised access and use. The names of successful applicants and a summary of their projects may be published. If you do not provide all of the information requested on this form, your application may be deemed ineligible and removed from consideration by the committees.

The University of Melbourne is committed to protecting personal information provided by you in accordance with the Privacy and Data Protection Act 2014 (Vic). All information collected by the University is governed by the University's Privacy Policy. For further information about how the University deals with personal information, please refer to the University's Privacy Policy or contact the University's Privacy Officer at privacy-officer@unimelb.edu.au.
