### PART B-1. IGAP (Academic)

\* indicates a required field

#### B-1.1 University Employment status

##### Are you currently employed by The University of Melbourne? \*

- I hold a current or confirmed future academic appointment (fixed-term or continuing) with a Department of the University of Melbourne (including affiliated MRI Departments) which administers its international grants through the University.
- I hold an Honorary academic appointment with a Department of the University of Melbourne (including affiliated MRI Departments) which administers its international grants through the University.

##### Applicant's Academic Level

- A                       B                       C                       D                       E

##### Applicant's FTE

0.8FTE

##### Career stage

#### B-1.2 Research Project Activity Type

Please select the Research Activity Type(s) that best relate to your proposed research and its aims.

*Pure basic research* is experimental and theoretical work undertaken to acquire new knowledge without looking for long term benefits other than the advancement of knowledge.

*Strategic basic research* is experimental and theoretical work undertaken to acquire new knowledge directed into specified broad areas in the expectation of useful discoveries. It provides the broad base of knowledge necessary for the solution of recognised practical problems.

*Applied research* is original work undertaken primarily to acquire new knowledge with a specific application in view. It is undertaken either to determine possible uses for the findings of basic research or to determine new ways of achieving some specific and predetermined objectives.

*Experimental research* is developmental work, drawing on knowledge gained from research and practical experience and producing additional knowledge, which is directed to producing new products or processes or to improving existing products or processes.

##### Activity Type

- Pure Basic Research
- Strategic Basic Research
- Applied Research
- Experimental Research

### B-1.3. Fields of Research Codes (FoR)

Please select **up to five** FoR codes that best describe the area(s) of research relevant to the proposed project. Use the 'Add More' button to add a row for each code. Please include a percentage for each code (**totalling 100% for all codes**). For example:

- 3001 - Agricultural biotechnology - 51%
- 3002 - Agricultural, land and farm management - 49%

A list of Fields of Research (FoR) codes and their descriptions is available [Here](#).

FoR Code

Select a Code \*

FoR Code %

Percentage \*

Must be a number and between 1 and 100.

**Total FoR Percentage \***

This number/amount is calculated.  
Total must be 100.

### B-1.4. Socio-Economic Objective Codes (SEO)

Please select **up to five** FoR codes that best describe the area(s) of research relevant to the proposed project. Use the 'Add More' button to add a row for each code. Please include a percentage for each code (**totalling 100% for all codes**). For example:

- 3001 - Agricultural biotechnology - 51%
- 3002 - Agricultural, land and farm management - 49%

A list of Socio-Economic (SEO) codes and their descriptions is available [Here](#).

SEO Code

Select a Code \*

SEO Code %

Percentage \*

Must be a number and between 1 and 100.

**Total SEO Percentage \***

This number/amount is calculated.  
Total must equal 100.

### B-1.5. Authority to Submit

Applicants must upload a completed and signed '**Authority to Submit**' form as part of their application. This form should be completed by the lead CI's supervisor to confirm their

# International Grants Accelerator Program (IGAP) Application Form 2026

support for the application and confirm faculty co-contributions. Please use the template available on the [scheme webpage](#).

**Please upload the fully signed Authority to Submit form \***

Attach a file:

You MUST upload a signed 'Authority to Submit' form

**I confirm that I have read and understood that my application will not be considered eligible without uploading a signed Authority to Submit form. \***

I confirm

Please ensure the Authority to Submit template is used (link provided above)

## PART B-2. IGAP (Professional)

### B-2.1 University Employment status

#### University Employment status

Yes, I am a continuing staff/fixed term member (full time or fractional) at The University of Melbourne with an appointment of at least 0.5FTE at level UOM7 or higher at the time of application and for the duration of the award.

Yes, I am a continuing staff/fixed term member (full time or fractional) at an affiliated Medical Research Institute (MRI) whose international grants are administered through UoM, with a position of equivalent seniority and contract length to at least 0.5FTE at level UOM7 or higher at the time of application and for the duration of the award.

#### Applicant's appointment Level

e.g. 7.1

#### Applicant's FTE

0.8FTE

### B-2.2 Authority to Submit

Applicants must upload a completed and signed '**Authority to Submit**' form as part of their application. The form must be endorsed by the applicant's supervisor and Faculty Research Manager, confirming their support for the proposed activity. Please use the template available on the [scheme webpage](#).

**Please upload the fully signed Authority to Submit form \***

Attach a file:

You MUST upload a signed 'Authority to Submit' form

**I confirm that I have read and understood that my application will not be considered eligible without uploading a signed Authority to Submit form.**

I confirm

Please ensure the Authority to Submit template is used (link provided above)

## PART C: Project Details

\* indicates a required field

### C1. Ethics

**Have you identified any actual, potential, or perceived conflicts of interest in undertaking this project/activity in accordance with Managing Conflicts of Interest Policy (MPF1366)? \***

- Yes, a management plan is in place  
 Yes, a management plan is not in place  
 No

Respond on behalf of all members of the research team. Policy (MPF1366) can be found here: <https://policy.unimelb.edu.au/MPF1366/>

**Provide the reference number of the Conflict of interest management plan (if applicable)**

Must be a number.

**Does your proposed research engage with Indigenous knowledge or pertain to Aboriginal and/or Torres Strait Islander (or other Indigenous) communities? \*\***

- Yes  No

In the following box, please briefly indicate:

- Your approach to enabling collaboration with Aboriginal and/or Torres Strait Islander communities (for example, dialogue/collaboration with an Indigenous cultural mentor);
- Any existing or developing, supportive and high-quality relationships you have with Aboriginal and/or Torres Strait Islander communities;
- Any personal affiliations with local Aboriginal and/or Torres Strait Islander communities that can facilitate the proposed research.

Please ensure your responses briefly address how the proposed research project aligns with the advice provided by the [AIATSIS Code of Ethics for Aboriginal and Torres Strait Islander Research](#) and the University of Melbourne's [Charter for Research with Indigenous Knowledge Holders](#).

Word count:

Must be no more than 200 words.

### Export Controls

# International Grants Accelerator Program (IGAP) Application Form 2026

## Form Preview

If your work involves certain technologies, services or controlled goods, export controls legislation may impact you. By Australian law, the export, supply, or transfer of controlled goods, technologies, or services may require a permit issued by the Australian Government in advance of the activity taking place. This may have implications for your everyday research practices and the way you work with international colleagues, collaborators or suppliers. Please refer to the Research Gateway for further details: <https://gateway.research.unimelb.edu.au/funding-contracts-and-ethics/ethics-and-integrity/international-safeguards/export-controls>

**Has your proposed project been assessed by OREI for compliance with Australian Government Export Controls legislation? \***

Yes  No

## C2. Proposed Activity Detail

**Please use plain language, as your assessors may not be specialists in your specific research area.**

**Title of Proposed Activity (10 words) \***

Must be no more than 10 words.

Provide a name for your project/program/initiative. Your title should be short but descriptive

**Activity anticipated start date:**

Must be a date.

**Activity anticipated end date:**

Must be a date.

**Do you plan to visit/host a collaborator or a sponsor? \***

**Collaborating Institution/ Sponsor name \***

**Location of project activity \***

**Please specify the location where the proposed activity will take place \***

## C3a. Overall Project Description

# International Grants Accelerator Program (IGAP) Application Form 2026

## Form Preview

It is recommended that applications are written in lay terms for reviewers to better understand the project's potential impact and its anticipated outcomes

**Please provide a 100 word lay summary of the research activity to be supported by this travel award (max 100 words) \***

Word count:

Must be no more than 100 words.

**Outline the proposed activities and explain how they will contribute to achieving the objectives of the selected IGAP Academic stream- Describe specifically how the proposed activity will strengthen the development, competitiveness and submission of the identified funding application. \***

Word count:

Must be no more than 300 words.

**Briefly outline your track record relative to opportunity in the context of the proposed activity. \***

Word count:

Must be no more than 300 words.

Academic applicants may wish to highlight experience in the research field, previous collaborations and/or previous engagement with the proposed external funder.

### C3b. Overall Project Description

It is recommended that applications are written in lay terms for reviewers to better understand the project's potential impact and its anticipated outcomes

**Please provide a 100 word lay summary of the research activity to be supported by this travel award (max 100 words)**

Word count:

Must be no more than 100 words.

**Outline the proposed activities and explain how they will contribute to achieving the objectives of the selected IGAP Professional stream- Describe specifically how the proposed activity will generate institutional benefit and improve capability beyond your immediate business area.**

# International Grants Accelerator Program (IGAP) Application Form 2026

## Form Preview

Word count:

Must be no more than 300 words.

**Briefly outline your track record relative to opportunity in the context of the proposed activity.**

Word count:

Must be no more than 300 words.

Professional applicants should demonstrate their ability to be an ambassador for the University of Melbourne

### C4a. Proposed sources of external funding

List the external funding opportunity(ies) that will be targeted as a result of this IGAP activity, with the expectation that the funding application will be submitted by 31 December 2027. Academic staff applicants MUST include at least one funding opportunity that meets the eligibility criteria as stated in the scheme guidelines

<b>Sponsor Name</b>	<b>Scheme/ Call Name (or N/A)</b>	<b>Funding opportunity type</b>	<b>Scheme link (if available)</b>	<b>Is this activity intended to support development of a specific funding opportunity in 2027</b>	<b>What role will the University have in the proposed funding application</b>	<b>Estimated value to the University of Melbourne (AUD)</b>	<b>Please briefly describe the specific funding opportunity this activity is intended to support.</b>	<b>Describe the institution's specific capability gap or opportunity that this activity is intended to address and explain how the proposed activity will contribute to improving capability across the University</b>
---------------------	-----------------------------------	---------------------------------	-----------------------------------	---	---	---	---	--

### PART D: Proposed Budget

#### D1. Budget (GST exclusive)

Briefly outline the proposed budget, including any applicant and collaborator in-kind or cash contributions. Please specify which researcher is traveling, the location to which they are traveling, and briefly describe the purpose of the travel.

Please **do not add commas** to figures - e.g. type \$1000 not \$1,000 - this will ensure your figures for each table total correctly.

Category	Specifics and justification	Amount Requested (AUD)
E.g. airfares, accommodation, other expenses	Provide a brief breakdown of costs, e.g. 5 nights accommodation @ \$X/night	Must be a dollar amount and no more than 5000.
		\$

This number is calculated from the totals for each budget category above.

#### Total Amount Requested

\$

This number/amount is calculated.

### PART E: Declaration

\* indicates a required field

#### E2. Applicant Declaration

**By submitting this application, I declare that the information I have given in this application is true to the best of my knowledge, and I understand that any offer of funding may be withdrawn if false information is given. \***

I agree

#### E3. Privacy Collection Notice

The information in this form is being collected by Research, Innovation and Commercialisation on behalf of Chancellery (Research), the University of Melbourne. The information you provide is being collected in order to record administrative details of the applicant, and for assessment by selection committees from The University of Melbourne. The information will be used by authorised staff for the purpose for which it was collected, and will be protected against unauthorised access and use. The names of successful applicants and a summary of their projects may be published. If you do not provide all of the information requested on this form, your application may be deemed ineligible and removed from consideration by the committees.

Research, Innovation and Commercialisation is collecting the information in this form to record administrative details of the applicant, and for assessment of the grant proposal by
