

# 2024 David Syme Research Prize

## Form Preview

## David Syme Research Prize

### Introduction

The **David Syme Research Prize** was established following a donation from Mr David Syme in 1904 to the University of Melbourne. The annual prize rewards the best original research in Biology, Physics, Chemistry or Geology produced\* in Australia during the preceding two years. Preference will be given to original research of value in the industrial and commercial interests of Australia (ie. impact of the research on the discipline and more broadly). The David Syme Research Prize was first awarded in 1906.

\* *produced* - for example published, received patents etc.

**The David Syme Research Prize is awarded by nomination only. A letter of nomination must be submitted with your application.**

Please ensure that you have read and understood the Grant Scheme [Funding Guidelines](#).

### Save as you go

### Privacy Collection Notice

The information in this form is being collected by Faculty of Science Research Office at the University of Melbourne. The information you provide is being collected in order to record administrative details of the applicant, and for assessment by the Faculty of Science Research Committee, chaired by the respective Associate Dean (Research) or equivalent. The information will be used by authorised staff for the purpose for which it was collected, and will be protected against unauthorised access and use. The names of successful applicants and a summary of their projects will be reported to relevant Faculty committees and senior officers.

If you do not provide all of the information requested on this form, your application may be deemed ineligible and removed from consideration by the committees. You may access any personal information you have provided to the University by contacting 13 6352. The University of Melbourne is committed to protecting personal information provided by you in accordance with the Privacy and Data Protection Act 2014 (Vic). All information collected by the University is governed by the University's Privacy Policy. For further information about how the University deals with personal information, please refer to the University's Privacy Policy or contact the University's Privacy Officer at [privacy-officer@unimelb.edu.au](mailto:privacy-officer@unimelb.edu.au).

## Nomination Details

## Research Details & Statements

\* indicates a required field

### Research Details

**Title or Area of Research \***

Word count:

Must be no more than 20 words.

**Category of Application \***

- Physics
- Chemistry
- Biology
- Geology

Record of Original Research - up to 3 published works

**Please attach your published work \***

Attach a file:

**Additional published work (if applicable)**

Attach a file:

**Additional published work (if applicable)**

Attach a file:

**Optional - Other submissions (if vital to the nomination e.g. unpublished results or manuscripts suitable for publication, from work during the relevant research period)**

Attach a file:

### Addressing the Statements

Following the guidelines, please provide the following statements:

**A plain English summary of the work \***

Word count:  
Must be no more than 100 words.

**A statement describing the main purpose and trend of the research. \***

Word count:  
Must be no more than 500 words.

**A statement describing the scientific and commercial impact of the work. Reference to impact factors, citations, conference invitations, patents and consultancies should be made in this section. \***

Word count:  
Must be no more than 1500 words.

**A statement describing the originality and importance of the work. \***

Word count:  
Must be no more than 500 words.

**A statement of the candidate's share in the work. \***

Word count:  
Must be no more than 500 words.
