Budget and justification

You MUST use the budget template provided and provide the anticipated cost of each item and the expected source of funding (FGRF, G-RIOTS, in-kind, department, self-funded etc)

Applicants for the G-RIOTS award can apply for budget items up to \$4000

All applicants are encouraged to seek funding from multiple sources where costs exceed the maximum allowance for the FGRF and other funding options. This will strengthen your application.

Standard travel insurance is provided by the University and should be applied for as part of your Study Away request; details on the [Graduate Research Hub](#).

Per diems for travel within Australia will not be supported by these funds. Per diems for travel overseas will only be considered if the student is not in receipt of a living allowance scholarship and there is a strong argument that the cost of living (ie. food cost) is higher than the student's present situation.
