Privacy Collection Notice

The information in this form is being collected by Faculty of Science Research Office at the University of Melbourne. The information you provide is being collected in order to record administrative details of the applicant, and for assessment by the Faculty of Science Research Committee, chaired by the respective Associate Dean (Research) or equivalent. The information will be used by authorised staff for the purpose for which it was collected, and will be protected against unauthorised access and use. The names of successful applicants and a summary of their projects will be reported to relevant Faculty committees and senior officers.

If you do not provide all of the information requested on this form, your application may be deemed ineligible and removed from consideration by the committees. You may access any personal information you have provided to the University by contacting 13 6352. The University of Melbourne is committed to protecting personal information provided by you in accordance with the Privacy and Data Protection Act 2014 (Vic). All information collected by the University is governed by the University's Privacy Policy. For further information about how the University deals with personal information, please refer to the University's Privacy Policy or contact the University's Privacy Officer at privacy-officer@unimelb.edu.au.

Research Details

* indicates a required field

Type of Research Submitted *

- Original thesis
- Research paper

Title of Thesis/Research Paper *

This study/research was undertaken as (both may be selected): *

- a student (ie undergraduate or graduate)
- a member of staff (ie post doctoral fellow, professional staff, academic staff)

This study/research was undertaken, published or completed in Victoria during the last five years, ending 31 December 2024 (if No, you are not eligible to apply): *

- Yes
- No

Describe where in Victoria the submitted research was performed - include name and location of the organisation/s and date/s of research (must be within five years, ending 31 December 2024). *

Word count:

Must be no more than 200 words.

Describe the main purpose and trend of the study/research *

Word count:

Must be no more than 200 words.

Provide a summary of the study/research, in ARC-style plain English. This may be used for public release. *

2024 Grimwade Prize Round

Form Preview

Word count:

Must be no more than 100 words.

Provide details of the study/research performed at the University of Melbourne - include the time period and nature of study/research. *

Word count:

Must be no more than 200 words.

Describe the contributions and significance of the study/research to the field of Industrial Chemistry. *

Word count:

Must be no more than 200 words.

Describe your contribution to the study/research - present this as a percentage and include a summary of your role in leading research ideas and analysis of results. This is especially important if the research is in collaboration with established senior researchers who are not joint candidates for the prize. *

Word count:

Must be no more than 200 words.

For joint applications, please outline why a joint application is being submitted. *

Word count:

Must be no more than 100 words.

Attach published thesis or published papers here. *

Attach a file:

Maximum file size limit: 75 MB

Attach completed manuscripts suitable for publication here. *

Curriculum Vitae & Research Outputs

* indicates a required field

Performance Relative to Opportunity

Do you wish your application to be considered with respect to Performance Relative to Opportunity (PRO)?

- Yes
 No

Please outline your case (max 5000 characters). Consideration of PRO facilitates positive acknowledgement of what has been achieved by academic staff given the opportunities available. Personal circumstances relevant in assessing PRO include care relationships, medical conditions and part-time and flexible working arrangements. Relevant career interruptions include parental leave and extended sick leave. Relevant leave of absence may include leave authorised to enable an academic to undertake an industry secondment or similar career development activity outside the academy. Other circumstances may include natural disasters (such as the Australian bushfires in 2019-2020), global health issues (such as the COVID-19 pandemic) and emergency situations with significant or longer-term impacts.

Word count:

Must be no more than 5000 characters.

Your Research

What is your research about and why is it important?

Word count:

Must be no more than 5000 characters.

Curriculum Vitae

This section should be brief, use dot points where possible and adhere to the word limits. Where appropriate, all details should be listed in reverse chronological order.

Please focus on the **most recent five years**.

2024 Grimwade Prize Round

Form Preview

Full details of education, postgraduate training, present and past appointments *

Word count:

Must be no more than 500 words.

Seminar/conference presentations (details of conference, indicate if invited talk, selected for oral, or poster presentation) *

Word count:

Must be no more than 500 words.

Details of awards or prizes (include \$ amount where applicable) *

Word count:

Must be no more than 300 words.

Details of any postgraduate and undergraduate teaching and supervision (including demonstrating, tutor roles or co-supervision of students) *

Word count:

Must be no more than 300 words.

Administrative responsibilities, including laboratory, departmental, faculty/school and institutional *

Word count:

Must be no more than 300 words.

Leadership and service activities related to scientific discipline or the University of Melbourne (e.g. membership of societies and committees, peer review experience, administrative responsibilities) *

Form Preview

Word count:

Must be no more than 300 words.

Community engagement activities *

Word count:

Must be no more than 500 words.

Statement of career aspirations for the next five years *

Word count:

Must be no more than 500 words.

Research Outputs

List your research outputs, using the following subheadings:

- Journal articles - original refereed
- Journal articles - accepted but not published
- Reviews
- Books, chapters and monographs
- Full published conference proceedings
- Patents
- Other publications

Note:

- *Include full academic references for each item.*
- *For multi-author publications, indicate your contribution level.*
- *For accepted papers - clearly identify as accepted or in-press and provide acceptance date (month/year).*
- *Do not list works submitted, under review or in preparation.*
- *Do not include conference abstracts.*
- *Other publications may include popular articles, periodicals, submissions to government reviews, policies.*

Please list your research outputs, as described above. *

2024 Grimwade Prize Round

Form Preview

Please provide a brief summary describing the common publishing practices in your field, particularly concerning how your field assesses research and publication quality *

Word count:

Must be no more than 300 words.

Please list your three best research outputs with brief summaries outlining your contribution and the impact they have made in your field *

Submission declaration

* indicates a required field

Certification

I/we certify that all details given on this application are correct. *

Yes

Data from this application is handled in accordance with the University of Melbourne's Privacy Policy. For more information, please see the University's [privacy website](#).
